

# WHY

don't I have  
fur or feathers  
?

## *Good Question!*

Nature did not make  
a duck that cannot  
swim

Or a grizzly bear  
the size of a snail

So why do we have a  
bare outside?

## *Good Answers!*

- The dolphin thing
- We are a mistake that  
is taking a long time to  
resolve
- The rest of nature gets  
to share a joke about us
- Clothes and fashion are  
destined to shape the  
planet and it was only a  
matter of time Calvin
