

PROBLEM

I don't look like me

Is it due to the fact you are holding your breath under water in the kitchen sink?

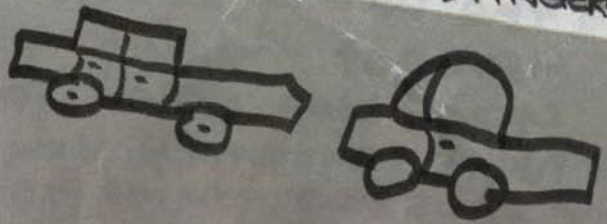

OR

MAYBE

NOT AT ALL?

DON'T TRY TO FOLLOW ME

IT'S JUST TOO DANGEROUS

MOST  
LIKELY  
SCENARIO  
IS

this

you were swapped  
at birth. you are  
the wrong baby.  
you got the wrong  
you. you aren't you.  
Now you know you  
can stop trying to  
problem solve.
